Pippa: I'm sixteen. I'm always two minutes late. I own one good pair of sneakers. And my little brother Theo sold me an alarm clock shaped like a rooster. For eleven dollars.

Pippa: That's Grandma Rosa. Seventy-two. Former dancer. Those pearls on her neck are older than our house.

Pippa: The brass band started the same song. June gave me a thumbs-up so hard her glasses fell off.

Pippa: 9:45. Mr. Whitlock checked his watch.

Pippa: Then he looked straight at me. And he didn't go to the plug.

Pippa: He walked through the crowd toward Grandma. Thirty Tuesdays, and he had never done that before.

Part 8 — Wednesday (≈400 слов)

Сцена 1 — street · вечер

Кадры: Уитлок хватает жемчуг у бабушки [крупно], он сдёргивает ожерелье целиком; он бежит к столбу и выдёргивает вилку сам; темнота; голос Пиппы

Pippa: 9:46. He grabbed Grandma's pearls, ran to the lamp post and pulled the plug himself.

Pippa: Main Street went dark.

Pippa [shouting]: Theo! Now!

Сцена 2 — street · драма

Кадры: двести светящихся палочек ломаются одновременно — вся улица вспыхивает зелёным; Уитлок застыл посреди толпы с жемчугом в руке, все смотрят на него [крупно]; Джун включает генератор — фонари загораются; [чиби] Тео с двумя палочками как джедай на зелёном фоне

Pippa: Two hundred glow sticks cracked at once. Main Street turned green. And right in the middle stood Mr. Whitlock, holding a pearl necklace that wasn't his.

Pippa: Two seconds later June plugged in the generator, and every lantern came back on.

June [proud]: Number ten! I did it!

Сцена 3 — street · вечер

Кадры: полицейские подходят к Уитлоку; он поднимает жемчуг; бабушка выходит вперёд, опираясь на Пиппу; Уитлок [гримаса: капля-пота]; толпа ахает

Mr. Whitlock [nervous]: This is a misunderstanding! These are fake! Plastic! Fifty dollars! Who would steal fake pearls?

Grandma Rosa: Then why are you running with them, sugar?

Mr. Whitlock: I wasn't running! I was… appraising. Fast.

Pippa: Officer, his shop is on Main Street, next to the bakery. There's a book on the counter. Every grandma on this street is in it. And next to every name, it says "Paid: zero dollars."

Pippa: The police opened the shop that night. They found the book, the tray, and Mrs. Okafor's ring.

Pippa: Then Mrs. Okafor stepped out of the crowd. Then Mrs. Bell. Then Mrs. Diaz. Every grandma on Main Street lined up in front of him with her arms crossed.

Сцена 4 — street · вечер

Кадры: полицейская машина уезжает с Уитлоком; бабушка надевает жемчуг обратно; только теперь Пиппа обнимает бабушку, Тео и Джун врезаются в объятия [крупно]

Pippa: Only when the police car turned the corner did I hug Grandma. Then Theo hugged us. Then June hugged us, still holding the generator cord.

Pippa: Mom hugged all of us at once, which is hard, because Theo kept trying to sell glow sticks to the police.

Pippa: That night I was too scared to fall asleep. What if I woke up and it was Tuesday again?

Сцена 5 — home-kitchen · день

Кадры: петух орёт «COCK-A-DOODLE-WEDNESDAY» [деталь: телефон — WEDNESDAY]; кухня, 7:03; Пиппа не глядя протягивает руку и держит стакан сока, хотя Тео даже не начал рассказ; Тео [гримаса: шок]; кукушка выскакивает и кукует ровно семь раз; бабушка в жемчуге смеётся [гримаса: плачет-от-смеха]

Pippa: At 6:47 the rooster screamed. My phone said Wednesday. I cried a little. Wednesday is a beautiful word.

Pippa: I ran into the kitchen in my pajamas and hugged everybody.

Mom [suspicious]: Why are you hugging me at seven in the morning? What did you break?

Pippa: At 7:03, I reached over and grabbed Theo's orange juice without looking.

Theo [confused]: Why are you holding my juice? I haven't even told you about the shark.

Pippa: Lucky guess.

Pippa: And Grandma's cuckoo clock, broken since 1969, cuckooed exactly seven times.

Grandma Rosa [laughing]: Thirty-one Tuesdays, baby. Next time you get stuck in a day, do me a favor. Pick a Saturday.

Pippa: And that's the story.

Заметки

• **Маршрут countdown:** каждая часть начинается с часов: «Tuesday number N. время. сколько до 9:47». От части к части время дня сдвигается к 9:47, номер вторника растёт.

• **Повороты в конце частей:**

1. снова 6:47, снова вторник;
2. фонари гаснут не случайно — Уитлок выдёргивает вилку;
3. он идёт к дому Пиппы, дверь открыта;
4. в витрине драгоценности всех бабушек улицы;
5. запертая комната и 6:47;
6. «Okay. Plan B.» — весь город должен увидеть;
7. Уитлок меняет поведение и идёт прямо к бабушке;
8. среда.

• **Running gag — апельсиновый сок в 7:03:**

• на кроссовки (вторник 1);

• на маму (2);

• на бабушку (5);

• Пиппа ловит не глядя (16);

• payoff: в среду ловит раньше, чем Тео что-то сделал.

• **Второй мотив — кукушка, сломанная с 1969 года:** кукует, когда Пиппа загадывает желание, и правильно кукует семь раз в среду.

• **Уитлок сам себя выдаёт:** утром он называет жемчуг пластиком за 50 долларов, а ночью ловится с ним при всей улице, и его слова «кто будет красть подделку» оборачиваются против него.

• **Страшный отрезок — части 4–5:** чужой в тёмной кухне, Тео под столом; Пиппа заперта в лавке и не знает, сбросится ли петля.

• **Генерация:**

• Холодное открытие повторяет сцену 3 части 5 слово в слово: можно взять тот же рендер.

• Повторяющиеся утра — одни и те же кадры с разными деталями (кто облит соком). Это дешёво и работает как гэг.

• Жемчуг бабушки в каждом кадре, пока его не украли.

• Уитлок — бордовый жилет, лупа на цепочке, трость с серебряной ручкой.

• Лавка (НОВОЕ): тёмное помещение со стенами из часов, напольные часы в рост человека, прилавок с толстой книгой.
